

Siúlóidí Lúbtha Loch an Chlocháin

Cloghan Lake Looped Walks

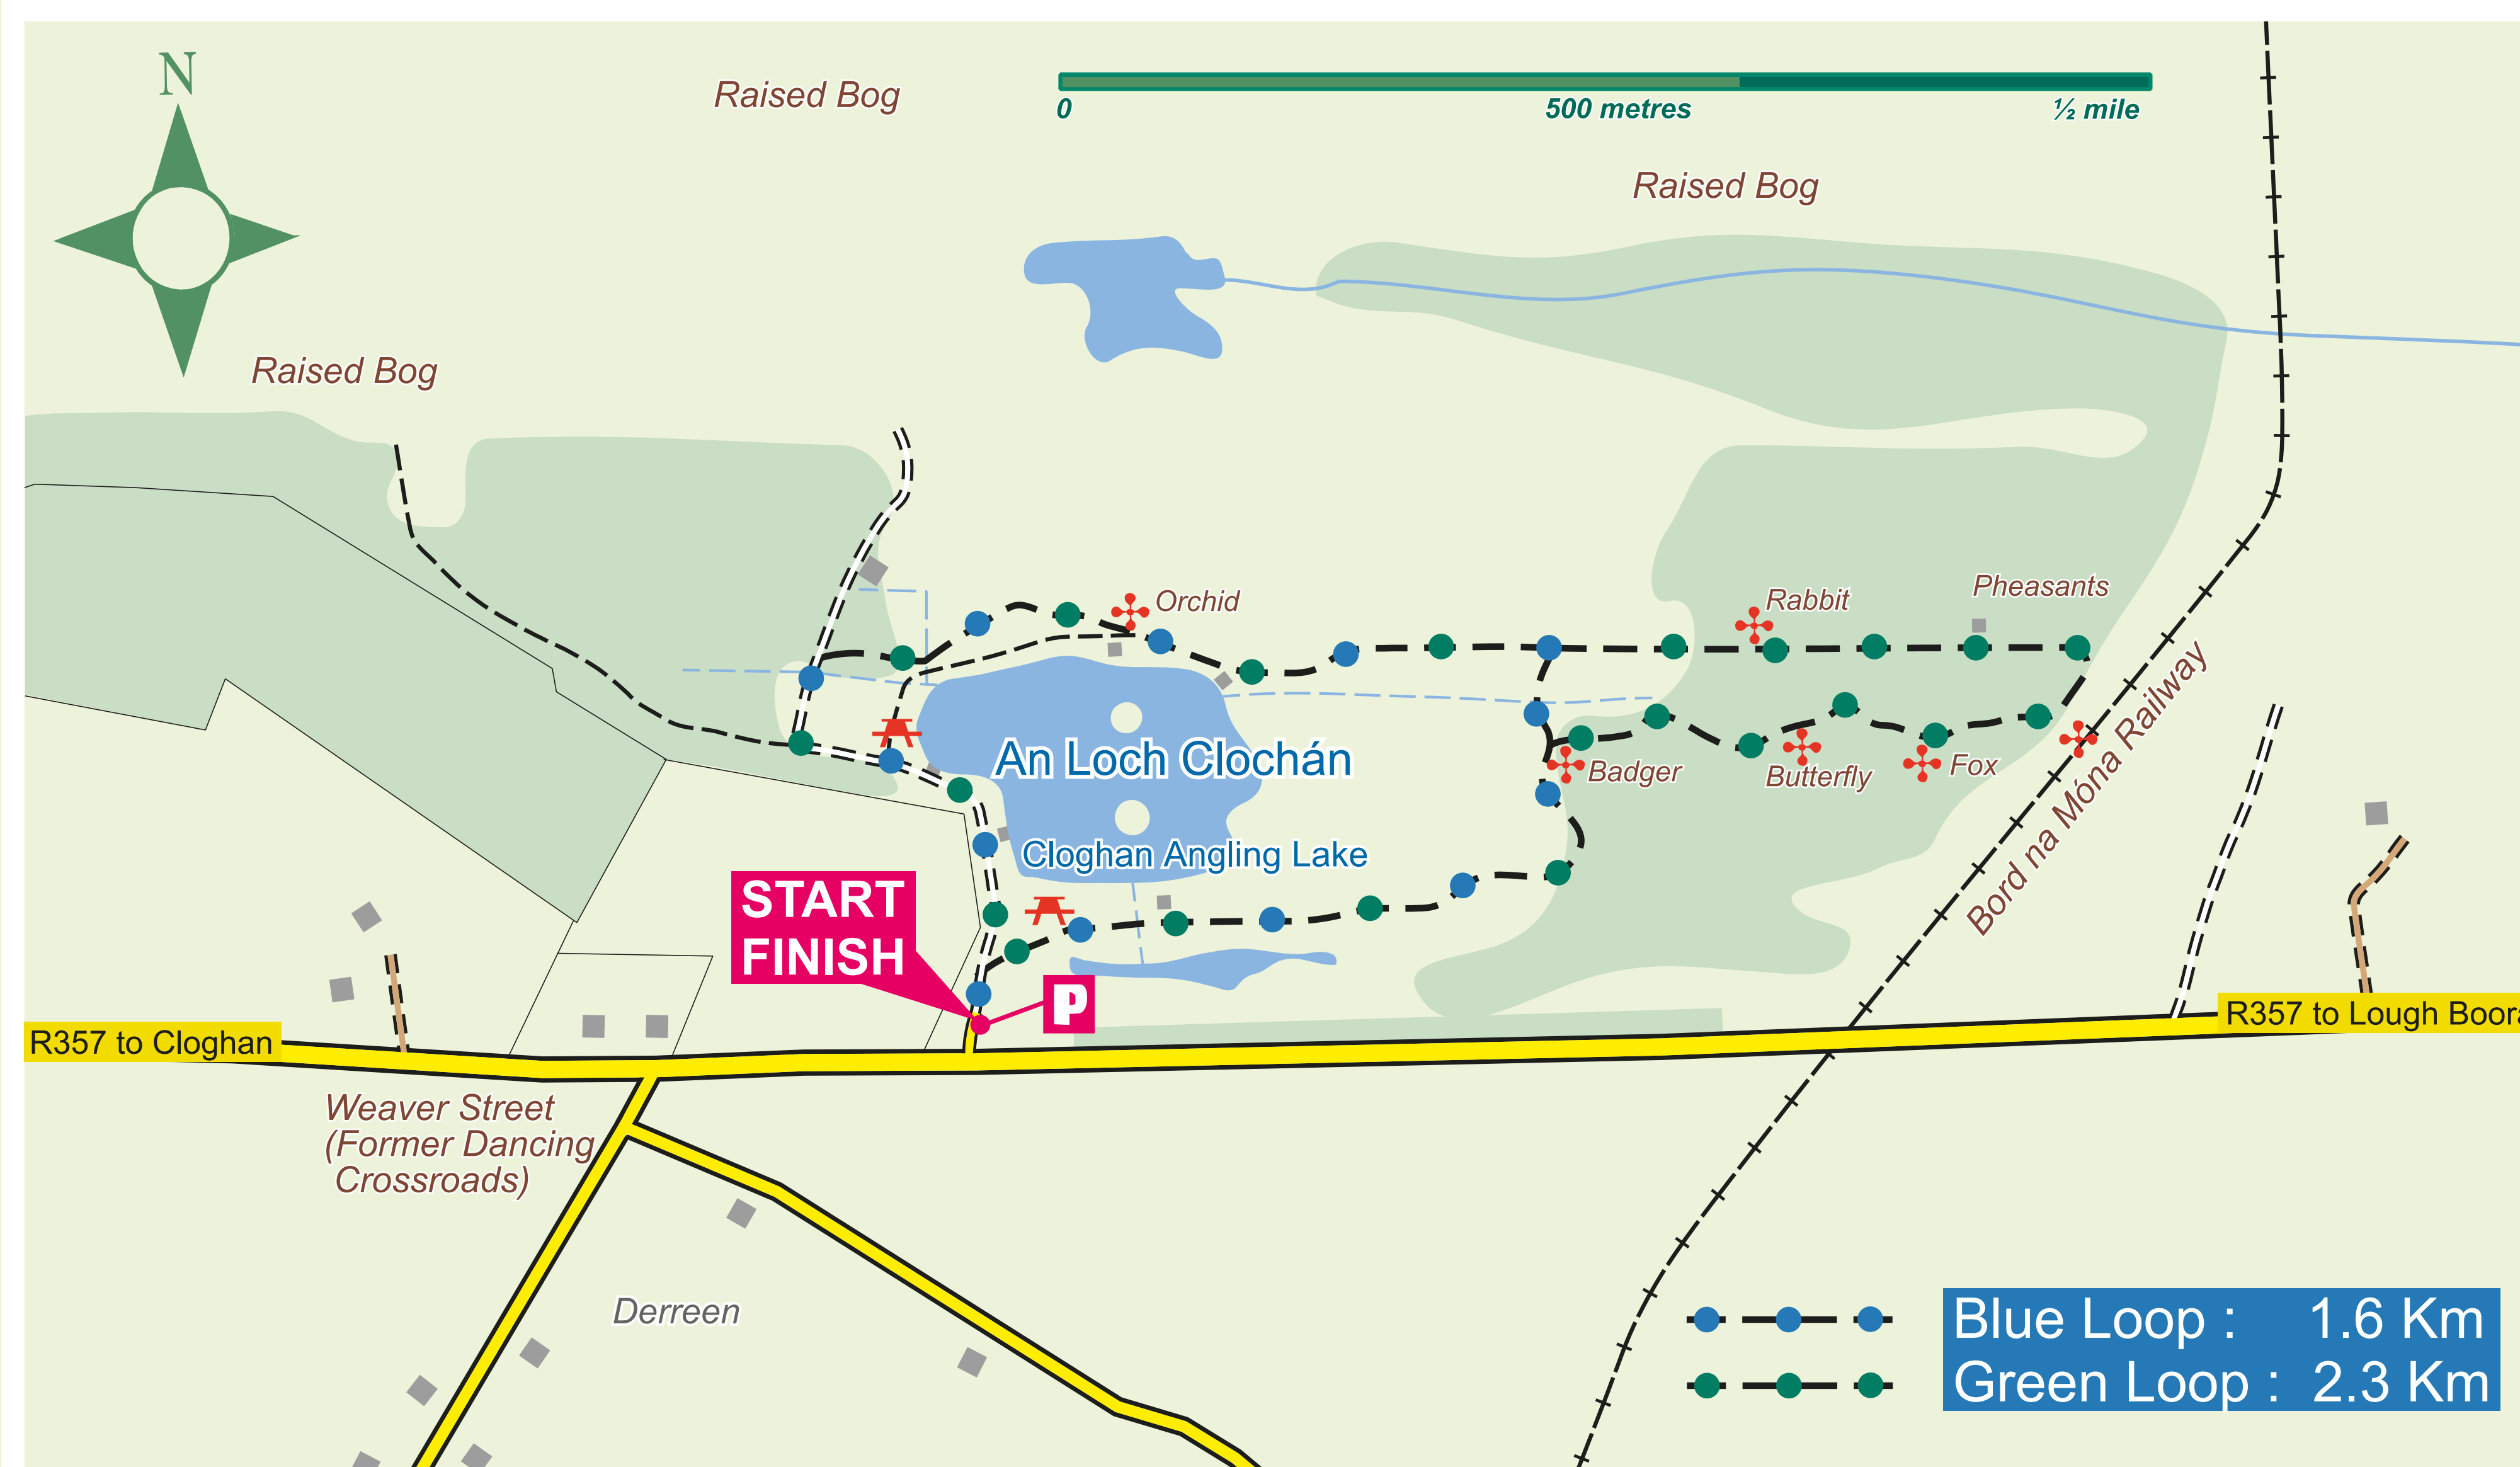

Pointe tosaithe don dá shiúlóid shuaimhneacha is ea an carrchlós agus tá an t-aon chosán amháin acu ar feadh 800 méadar. Tá scoilt ann idir an dá shiúlóid. Is féidir leat an tsiúlóid ghorm, atá ar an gceann is giorra, a thógáil timpeall an locha. De rogha air sin, is féidir leat na saigheada glasa a leanúint – leanfaidh tú an rian feadh an bhogaigh agus tríd an gcoillearnach oscailte beithe agus sailí agus trí na láithreacha picnicí. Tá nasc ann idir an tsiúlóid ghlas agus an tsiúlóid ghorm ag an droichead. Lean na saigheada ar ais in aice an locha agus i dtreo an charrchlóis. Is féidir le gach duine, beag beann ar aois, taitneamh a bhaint as an tírdhreach leibhéalta siúil. Bíonn an Loch ag síorathrú, ag brath ar an séasúr. Imíonn éin nó

tagann siad i láthair, agus póraíonn siad agus tógann siad na hógá. Bláthaíonn plandaí, tagann fungais i láthair agus imíonn siad as radharc, agus maireann na hainmhithe cónaitheacha a saol. De bharr na héagsúlachta radharc, fuaimeanna agus bolaithe atá ann, is amhlaidh i gcónaí go mbíonn rud éigin nua, corraitheach nó suimiúil le fáil le linn siúlóid feadh Loch an Chlocháin. Tá Loch an Chlocháin suite 2 km lasmuigh de shráidbhaile an Chlocháin agus ar an taobh clé (ó thuaidh) de bhóthar an R357.

Both tranquil walks commence in the carpark and are on the same path for 800mts. Both walks divide you can take the shorter blue walk around the lake or follow the green arrows with pathway taking you, along the wetlands and through the open birch-willow woodland and picnic areas. The green walk connects with the Blue walk at the bridge and follow the arrows back by the lake to the carpark. The level walking landscape that can be enjoyed by all age groups. The Lake is in a continuous state of flux depending on the season. Birds depart or arrive, breed and rear their young. Plants flower and fungi appear and disappear, while the resident animals go about their lives. The varying

sights, sounds and smells ensure a walk around Cloghan Lake always has something new, exciting and interesting to offer. Loch Clochan is situated 2km from Cloghan village on the left (north) of the R357.

Grádú Conairí

Conairí Éasca

Is conairí leibhéalta atá i gceist leo seo, tríd is tríd, agus beidh droimníú nó arda beaga romhat anseo is ansiúd. D'fhéadfadh an dromchla a bheith beagán garbh in áiteanna (fréamhacha, clocha, srl.) agus fána réasúnta gearra a bheith romhat anseo is ansiúd. Is iondúil gur stráicí gearra a bhíonn i gceist ansin.

Trail Grading

Easy Trails

Generally flat trails with some undulations. Surfaces may be a little rough in places (roots, stones, etc) with short steeper sections. Usually of short duration.
